Educational Child Care

The YMCA Child Care Center would like to welcome all parents and children. The YMCA provides a variety of services for the working parents of this community. Our program consists of full day/year round care for children 6 weeks thru 5 years old. We also provide full day/part day summer care for 5-11 years old.

Philosophy:

Our program is designed to enhance the lives of children and to provide a positive environment for independent growth. All children will be provided with time for learning, planning, investigating and problem solving. Valuable time spent with peers will allow for the development of social skills. Constructive, developmentally appropriate child guidance and management techniques are used at all times. Adults will model values and carefully guide children into making positive decisions. Children's positive character development is built by thought, choice, determination and the encouragement to do their best.

PARENT/CHILD PRESCHOOL SWIM LESSONS

All Classes must have Parent in the Water with Child

Class Name	Description	Day, Time, Location
Parent/Child <i>Parent with child lessons combined, making them just one level, ages 6 months to 3 years</i>	Parent and Child Aquatics is designed for children between the ages of 6 months and approximately 3 years and their parents. The purpose of the course is to familiarize children with the water and teach swimming readiness skills. In addition, Parent and Child Aquatics provides safety information for parents and teaches parents techniques they can use to help orient their children to the water. Children build self-confidence, listening, and water safety skills as well as floating, bubbles, and kicking through songs, games, and other activities.	<ul style="list-style-type: none">• Wed 5:30-6 PM• Wed 6-6:30 PM Downtown – East Pool Fee: Members \$10 Nonmembers \$65
Preschool 1 – COMFORT in Water <i>3-5 years old</i>	Preschool Aquatics Level 1 is designed to orient young preschoolers to the aquatic environment and to help them gain basic aquatic skills. In addition, participants start learning about how to be safe around water. Swimmers learn to become comfortable in the water, allowing for teaching of technique to start in level 2. Swimmers will learn skills such as floating independently, gliding independently with their eyes in, kicking, and jumping in to swim back to the wall and climb out safely.	<ul style="list-style-type: none">• Tues 5:30-6 PM Downtown – East Pool Fee: Members \$10 Nonmembers \$65
Preschool 2 – MOVEMENT in Water <i>3-5 years old</i>	Preschool Aquatics Level 2 builds on the basic aquatic skills and water safety skills and concepts learned in Level 1. Participants begin to perform skills at a slightly more advanced level and begin gaining rudimentary propulsive skills on both the front and the back. This level marks the beginning of independent aquatic locomotion skills. This class is designed for swimmers who are comfortable in the water and are ready to learn how to move around independently. Swimmers will learn freestyle and backstroke as well as kicking on a kick board and jumping in and swimming back to the wall for safety.	<ul style="list-style-type: none">• Tues 6-6:30 PM Downtown – East Pool Fee: Members \$10 Nonmembers \$65
