

WHY IT MATTERS

When you donate to the YMCA at Pabst Farms, you make our community better and the “us” who live in it stronger.

Dollars contributed to our Annual Campaign help the Y address the major issues facing our community.

The Y’s Service Without Boundaries Day Program (SWB) supports adults with disabilities within the Y and the community. It provides opportunities to gain independence, make friends and make a difference.

Sam Hoffman has been a participant of SWB since 2016. Sam’s mom Carolyn shared, “I am grateful to the Y for offering the Service Without Boundaries program for my son Sam. Sam has a rare neurological disorder known as SSADH Deficiency and he has significant cognitive delays and some physical limitations. The Service Without Boundaries program offers a way for Sam to get more involved in the community and engage in some volunteer work. The program has created a really nice social group and it gives Sam a reason to get up in the morning and a place for him to go, just like everyone else!”

CIRCLES OF GIVING

Circles of Giving are special groups of donors who have made an extraordinary commitment to strengthening our community with an annual gift of \$1,000 or more to the Y. Gifts may be made toward the Annual Campaign or toward a specific program at any time during the year. Your donation may also be made through a gift of stock or other securities.

TRIANGLE SOCIETY

The Triangle Society is symbolic of the equilateral triangle in the Y’s logo, which represents optimal health in spirit, mind and body. The society consists of the Y’s most generous donors who know the organization well and are committed to its bold vision and bright future. Members ensure the Y gives every person in Lake Country and the Watertown Area the opportunity to learn, grow and thrive for years to come by making a multi-year pledge of \$1,500 per year for three years.

Triangle Society Levels of Giving:

Advocate – \$1,500/yr Leader – \$3,000/yr Change Maker – \$6,000+/yr

Triangle Society donors will be recognized on their Annual Campaign banner, in the Annual Report, and honored at the Annual Celebration of Support.

“I am a champion for the Y because I am genuinely interested in making significant strides in order to give all people access to healthy living: body, mind, and spirit.”
