YARROW FAMILY YMCA

# SKILLS, DRILLS & COMPETITIONS

## 6-11 YRS SOCCER

**April 30- June 4**

Thursdays 4:15-5:00pm

**Fee:**

**\$60/session**

**Our Vision and Goal:** To give all of our participants an opportunity to learn fundamentals of a particular sport through skills, ranging from basic to advance, drills that promote these skills, and the value of competition through various activities and games.

**Function:** Consistent instruction from a skilled individual to help improve basic and advanced skills as well as instill a passion for the sport in your child. Kids can improve a wide range of skills or focus on improving one aspect of his or her game if they're more advanced.

\*Instructors will run assessments on first day of class.

Students will be placed into groups based off these assessments to encourage skill based growth. \*
