WHY YOU AND YOUR CHILD WILL LOVE THE YMCA!

The Y is the nation's largest child care provider and has more than 170 years of experience in providing top-notch camp programs across the country. The Y is proud to provide a SAFE environment for kids to experience new adventures, learn new skills and continue learning through the summer months.

SUMMER FUN FOR EVERYONE

Summer is a time for kids to explore new things and expand the limits of their imagination! At our YMCA summer camp, your child will create lifelong memories while participating in enriching, age-appropriate, fun activities! Your child will make new friends, experience new things and have tons of fun as they explore new adventures each day!

EACH WEEK HAS A THEME THAT WILL BE CARRIED THROUGHOUT CAMP, INCLUDING:

- Decorations
- Crafts
- Activities
- Vendors & Entertainment

We strive to promote Healthy Eating and Physical Activity (HEPA) standards in our many program areas. Each Y camper will receive at least 1 to 2 hours of physical activity each day.

Y camp curriculum features the opportunity for enhanced learning activities and educational learning experiences.

At the YMCA, we keep a 14:1 child-to-counselor ratio as we believe a smaller ratio creates a more personal experience to learn and grow.

Y campers enjoy swimming once per week at our YMCA indoor pools. Campers are tested by Red Cross Certified Y lifeguards on swimming ability. If determined a "red band" swimmer (needs improvement), they will receive either a life vest or puddle jumper and have a chance to retest the following week.

SUMMER FUN FOR EVERYONE

ANTI-BULLYING

The Y is committed to preventing bullying, which is defined as systematically and chronically inflicting physical hurt or distress on a child or staff member. Bullying is further defined as unwanted and repeated written, verbal or physical behavior, including threatening, insulting or dehumanizing gestures that are pervasive enough to create an intimidating or hostile environment. It includes, but is not limited to, teasing, social exclusion, threat, intimidation, stalking, cyber-stalking, physical violence, theft, harassment, humiliation or destruction of property.

BEHAVIOR & MEDICAL CONDITIONS

It is helpful to disclose all behavior and medical conditions at the time of registration so that we may best serve your child. The Y makes reasonable accommodations to met every child's needs. - Medication must be in its original container with labeled prescription instructions.
- A completed Medication Release form must be signed and submitted.
- All unused medicine not retrieved by the parent or legal guardian will be locked up and discarded one week after the camper's last day of camp.

WHAT TO PACK FOR CAMP

SWIMMING AT THE Y

In order to ensure the safety of all swimmers at the Y, we conduct swim tests! Swim tests allow the aquatic staff to make recommendations regarding personal flotation devices and appropriate swim areas based on the swimmer's skill level.

WHAT IS THE SWIM TEST?

The swim test consists of 2 parts: swimming the length of the pool and treading water for 30 seconds.

We conduct this test for all of our youth swimmers to ensure they have the strength and stamina to keep their head above water and get to the closest wall, if need be.

WHAT ARE WE LOOKING FOR WHEN CONDUCTING A SWIM TEST?

We are looking for continuous forward movement through the water and the stamina to support it. If we see a swimmer who can swim the length of the pool but looks exhausted or their body position has gone from horizontal to vertical, then we will recommend that they wear a life jacket or puddle jumper. Even though they may have been able to swim the length, they may not have the stamina to swim without an adult in the water for an extended amount of time, which can easily lead to an aquatic emergency.

WHO NEEDS TO TAKE THE SWIM TEST?

Any child that would like to swim without a life jacket or puddle jumper is required to take the swim test. If you would prefer your child to wear a life jacket/puddle jumper, we can easily set them up without putting them through the swim test.

Please remember that swimming at the Y is different than swimming in a backyard pool. Please review the rules so that you are familiar with them. We can't wait for you to enjoy our pool and to have a fun (and safe) experience!
