

The Project

Imagine Inspire Invest

The Simi Valley Family YMCA is transforming its 23,000 square foot facility into a spacious 40,000 square foot Multigenerational Community Center and will include the following:

A new gymnasium

Three multipurpose activity rooms

Enlarged healthy living center

Indoor/Outdoor Kids' Zone with inclusive playground

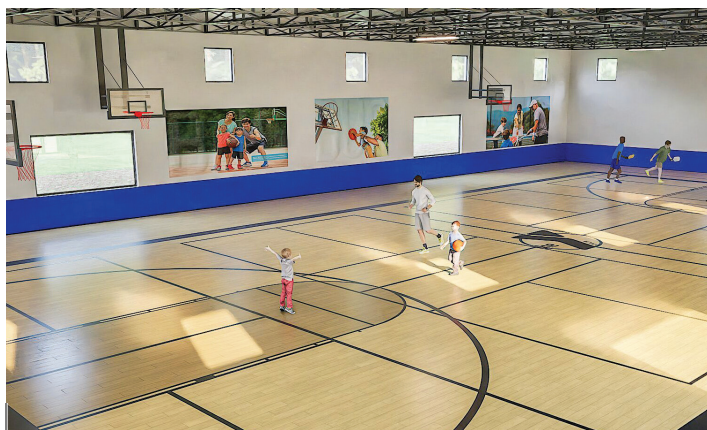

Renovated aquatic center

Seven individual changing/shower rooms

Remodeled shower facilities

This new facility will help us reach 15,000 community members annually with enriching programs in youth development, healthy living and social responsibility. We welcome everyone, offering financial assistance to ensure no one is left behind.

To accomplish this project, the Y is conducting a \$2.5 million capital campaign. Success will require a community wide effort of residents, businesses and foundations giving inspirationally together.

Capital Campaign

\$2.5 million

Ways to Give:

- Cash, check or credit card
- One time, annually or monthly
- Pledging over up to five years
- Online www.sevymca.org

Capital Expansion Project

Business Engagement Program

Why Invest?

A Win-Win for Business & Community

Investing in the Simi Valley Family YMCA Capital Expansion Project strengthens our community and offers many advantages for your business.

1. Enhancing Community Well-Being

- **Supports Youth & Families:** Expands programs for all ages, strengthening the local workforce pipeline.
- **Promotes Healthy Living:** New and renovated spaces lead to a healthier, more productive community and workforce.
- **Fosters Social Responsibility:** Demonstrates your commitment, enhancing reputation and customer loyalty.
- **Provides Vital Resources:** Makes essential programs accessible to everyone, including those facing hardship, creating a more equitable environment.

2. Business Advantages

- **Boosts Local Economy:** Creates jobs during construction and ongoing operations.
- **Attracts & Retains Talent:** A vibrant Y makes our community more appealing to employees and families.
- **Tax Benefits:** Donations are tax-deductible as a 501(c)(3) non-profit.
- **Partnership Opportunities:** Build brand awareness, engage employees, and align with community values.

3. Long-Term Investment in Community

- **Building for the Future:** A lasting investment in infrastructure for generations to come.
- **Creating Adaptable Spaces:** Modern facilities can meet evolving community needs.
- **Public Recognition to Businesses:** Demonstrating community social responsibility
