Capital Expansion Project

Community Campaign

Welcome to Your Simi Valley Family YMCA

The YMCA has been part of the Simi Valley community since 1984. Its facility on the corner of Cochran Street and Galena Avenue welcomes people of all ages to participate and enjoy activities that help them grow together. Simi Valley is a growing, active and thriving community, approaching 130,000 residents and is one of the most sought-after communities to raise a family or make the most out of retirement. The current facility has served Simi Valley well over the years, however, is limited by space to meet the community's evolving needs and interests. A modernized and enlarged Y facility is essential to achieve the vision of becoming a community hub where all members of the community can come together to recreate and engage with friends and community members.

THE PROJECT

Imagine. Inspire. Invest. Capital Campaign

The Simi Valley Family YMCA is transforming its 23,000 square foot facility into a spacious 40,000 square foot Multigenerational Community Center.

THIS VITAL EXPANSION WILL ADD:

- A new gymnasium
- Three multipurpose activity rooms
- Expanded healthy living center
- Indoor/Outdoor Kids' Zone inclusive playground
- Seven individual changing/shower rooms
- Remodeled shower facilities
- Renovated aquatic center

This new facility will triple our mission impact, reaching 15,000 community members annually with enriching programs in youth development, healthy living and social responsibility. We welcome everyone, offering financial assistance to ensure no one is left behind. To accomplish this project, the Y is conducting a \$2.5 million capital campaign. Success will require a community wide effort of residents, businesses and foundations giving inspirationally together.

Capital Expansion Project Funding Plan

Total Project Costs

Capital Campaign
\$2,500,000

Public and Other Funding
\$2,000,000

Annual Campaign 2026

For this year, 2026, the Y is combining the Public Phase of the Capital Campaign with the Annual Campaign. This one Community Campaign supports both activities. Both are essential for the health, vitality and advancement of the Simi Valley Family YMCA.

The money we raise through Annual Campaign supports the Y's impact programs and financial assistance. At the Y, we believe everyone should have access to the Y, along with the programs and services that help us learn, grow and thrive. **Impact programs include:**

- Find My Genius
- Y Champions
- Safety Around Water
- Disaster Relief

In 2024-2025 fiscal year, the Y distributed over \$200,000 in financial assistance to families and children in our community to ensure that they had access to **Y programs including:**

- Child Care
- Youth Sports
- Adventure Guides
- Teen Leadership Programs
- Swim Lessons
- Membership

Goal: \$500,000

Our goal is to raise \$500,000 through the Community Campaign as part of the Capital Expansion Project's \$2.5 million Capital Campaign goal. We hope you will join us in supporting this vitally important effort.
