LAP LANE SWIM SPACE

The lap lanes that we have available vary by day and time. Please review our app for how many lap lanes we have available at any given time.

LAP SWIM ETIQUETTE

- Lanes are available on a first come, first serve basis.
- If there are more than 2 in a lane, you must swim in a circle pattern.
- Please wait at least 5 seconds between swimmers.
- Communicate with you lane mates. Let them know that you are entering a lane before pushing off to swim. This will help avoid in-water collision!
- If you finish a set or need a break, please stand to the side of the lane to avoid blocking the middle of the wall.
- If you need to let a swimmer pass, please do so at the wall.
- Above all, be considerate and treat others with respect.

WATER WALKING

Members may use LANE 1 only. If during an Aqua Class lane 1 isn't available, they may use a portion of the pool not utilized by the class. No walking is allowed in other Lap Swim lanes.
