

Character Counts Preschool

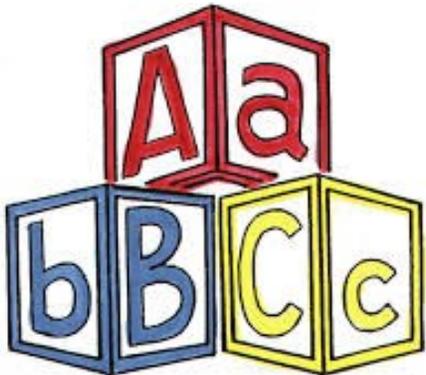

The Fairgrounds YMCA facilities are proud to bring you our Preschool Program.

Children will enhance their large motor skills as they participate in a variety of gym related activities.

Social development is also encouraged as the children learn to play together in a group and how to conduct themselves in a classroom.

Children work daily on writing their names, learning the alphabet, and number recognition while we introduce many other small motor skill in the classroom.

The program runs September through May and each week will be based on a new and exciting theme.

The YMCA offers many preschool aged activities at all three of our YMCA locations. Visit our website, talk to a YMCA staff member, or give us at call and ask about our preschool programs.
