

GATEWAY FINANCIAL SCHOLARSHIP

To successfully achieve our goal of providing service for all youth and families, the Watertown Family YMCA, with the support of the **Northern New York Community Foundation**, provides financial assistance to those who cannot afford the memberships or programs fees. Assistance is based upon the applicant's income and expenses.

Applications are available at the Welcome Center Desk or online. The YMCA is committed to protecting the privacy of its members and maintaining their personal information in confidence.

FALL STEM & SPORTS COMBO

Children will play fun and active sport games while also sharing in exciting STEM (Science, Technology, Engineer, and Math) activities. Group activities provide an environment that promotes teamwork, integrity, and good sportsmanship. Participants will have fun learning about science while playing and designing.

The Y is helping all children reach their full potential by supporting their unique youth development journeys. Kids engaged in STEM activities nurture their curiosity, inspire creativity and teach them how to succeed.

Kids who participate in STEM activities:

- Learn how to solve problems
- Develop critical-thinking skills
- Become comfortable with trial and error
- Learn to work successfully in teams
- Develop self-confidence
- Envision themselves in STEM careers
