FAIRGROUNDS SPRING ARCHERY INTRO & CLUB

Introductory Training Archery classes will focus on safety and fundamentals, teaching the USA Archery shooting strategy composed of 11 steps. Throughout the course, our instructor Jacob Speno will slowly introduce more steps and concepts surrounding archery, including the parts and components of archery equipment and different avenues for the pursuit of archery for kids wishing to continue.

Archery Club will be for archers that have completed at least one Introductory Archery course or Camp through the YMCA recently. Club will continue to build on the 11 steps and dive deep into form and philosophy of performance in Archery. Archery Club will provide young archers an opportunity to train weekly with an instructor there to run the range, while providing critiques.

INSTRUCTOR: JACOB SPENO

Jacob Speno has been shooting Archery since childhood and is Certified Level 2 USA Archery instructor. Jacob worked at Bear Creek Archery, the number one archery shop in Colorado for 3 years. Jacob has taught hundreds of people over the course of the past 5 years, at Bear Creek, High Schools, the YMCA, and in private lessons. Jacob has trained competition-league archers and has competed himself as well, winning one competition and placing in the Top 5 for others averaging a score of 300.
