

GATEWAY FINANCIAL SCHOLARSHIP

To successfully achieve our goal of providing service for all youth and families, the Watertown Family YMCA, with the support of the **United Way**, and the **Northern New York Community Foundation** provide financial assistance to those who cannot afford the memberships or programs fees.

Assistance is based upon the applicant's income and expenses. Applications are available at the Welcome Center or at watertownymca.org. The YMCA is committed to protecting the privacy of its members and maintaining their personal information in confidence.

WATERTOWN FAMILY YMCA CHILD WATCH

IMPORTANT INFO

- For children ages 6 weeks - 12 Years
- Parents must have a **Family or Single Family Membership** to use Child Watch.
- Child Watch slots are for **90 minutes**.
- **Parents must remain in the building while children are in Child Watch.**
- Babies need to be in fresh diapers and children should use the bathroom before arriving.
- A staff member may seek you out should your child be upset and inconsolable.
- Please label all your child's belongings, including snacks, drinks, bags, and coats. Limit bringing in toys from home.
- Please do not bring a child who has had a fever, rash, drainage from the eyes, vomiting, or diarrhea within the last 36 hours to Child Watch. If they exhibit any of these symptoms while in our care, we are required to have you pick up the child from Child Watch. Children who are too sick to go to school are too sick to come to Child Watch.
- The Y Staff will always treat children in our care with kindness and respect. We ask that the children do the same to the Staff and the other children utilizing the Child Watch Area. Our questions or concerns will be passed along to parents as well as information regarding your child's experiences.

Workout in comfort knowing your children are in good hands. The Y's Child Watch facilities are able to care for children from 6 weeks to 12 years of age while you exercise.

Child Watch services allow members to pursue their own health and well-being, knowing that their children are safe, secure, and cared for in a positive environment.
