2023-2024 Wilson YMCA SACC
Inclement Weather Policy & Holiday Operations

- **School Delays:** When school is delayed, SACC sites will delay opening with each district. If a district delays an hour, SACC will open at 730am. If it is a 2-hour delay, SACC will open at 8:30am. (Only children normally scheduled to attend in the Morning Program will be allowed to attend.)

- **School Closures:** If a district is closed, or becomes virtual for the day due to weather, then that district's SACC morning and afternoon care will be closed for the day.

- **Early Dismissals:** If a district is dismissed early during the normal school day, due to poor weather, that district's afternoon SACC will NOT be open.

- **No After School Activities:** In the event a district has no after-school activities posted, only Watertown SACC will run. All other afternoon SACC sites will be closed.

- **Emergency Go Home Early Drills:** If there is a scheduled "Emergency Go Home Early Drill" at any school, SACC will NOT be open.
