STEAM & SPORTS COMBO

Participants will play fun and active sport games while also sharing in exciting STEAM (Science, Technology, Engineer, Art, and Math) activities.

Group activities provide an environment that promotes teamwork, integrity, and good sportsmanship. Participants will have fun learning about science while playing and designing.

Kids who participate in STEAM activities:

- Learn how to solve problems
- Develop critical-thinking skills
- Become comfortable with trial & error
- Learn to work successfully in teams
- Develop self-confidence
- Envision themselves in STEAM careers
- Develop creativity from experiences
