SUMMER OUTDOOR ARCHERY

This outdoor archery course provides a comprehensive introduction to the sport while allowing participants to develop their skills in a fun and structured environment.

The program will emphasize safety, proper form, and the USA Archery shooting strategy, which consists of 11 key steps. Under the guidance of Y instructor Joseph Rouille, participants will gradually learn about equipment components, shooting techniques, and different pathways to continue their archery journey.

As they progress, archers will refine their technique, improve consistency, and gain a deeper understanding of focus, control, and accuracy. Whether you're looking to try archery for the first time or build upon previous experience, this course offers an exciting opportunity to grow in the sport while enjoying the great outdoors.

INSTRUCTOR: JOSEPH ROUILLE

Joseph Rouille has been an archer since 2009 and is a Certified Level 1 USA Archery instructor. Joseph has participated and organized over a dozen 3D Archery Shoots as a member of the South Fitchburg, MA Hunting & Fishing Club from 2009 to 2012.
