## CLAY CREATIONS

A beginner class with no prerequisite requirements. Participants will receive an introduction to basic hand-building and potter's wheel throwing.

Basic techniques that will be covered: Wedging, centering, opening and pulling the clay to form cylinders and bowls, trimming and finishing work.

All supplies and materials are included. All projects will be glazed and fired in a kiln, making them able to be taken home.

This class will introduce the art of ceramics, from basic construction and glazing to more complex methods including sculpture and potter's-wheel throwing.
