STEAM: MINI MAKERS

Little hands, big ideas! In this playful introduction to STEAM (Science, Technology, Engineering, Art, and Math), curious young minds will explore, build, and create through hands-on activities designed just for early learners.

Each session blends fun experiments, simple engineering challenges, creative art projects, and sensory play to spark imagination and problem-solving skills.

Guided by caring instructors, Mini Makers will explore the world around them while developing fine motor skills, collaboration, and confidence—all through joyful discovery!

Located in the Downtown YMCA Childwatch Room.
