**ADULT CERAMICS 1** is a relaxed, beginner-friendly ceramics course focused on hand-building techniques.

Through guided projects and personal exploration, you'll learn how to shape and construct with methods like pinching, coiling, and slab-building.

Whether you're making functional pieces like mugs and bowls or decorative sculptures, you'll gain confidence in working with clay, exploring texture, and applying glaze.

No prior experience needed – just a willingness to get your hands dirty and have fun!

**UNLEASH YOUR CREATIVITY  
AND CONNECT WITH CLAY!**
