A Moment With Audrie

Hi YMCA Friends~

Community; a feeling of fellowship with others, as a result of sharing common attitudes, interests, and goals. What comes to mind when you think of the word community? Who are your friends, supporters, compadres, and confidants?

At the Y, we strive to build a sense of community with our staff team, our families, our children and our local residents and partners. We share your desire for a safe place for our kids to play and learn and for a city where we can grow, thrive, and build.

As the nation begins to come out of isolation due to COVID, communities start to rebuild. People will start to find one another again, in a new way. Some of our friends may have moved away or jobs may have changed. New opportunities or priorities may have encouraged our friends to make new choices and life changes. Things may look and feel different which can be a little scary.

I invite us to embrace the newness and to find the little gems of change as we explore the new landscape. Let's come together to continue to

strengthen our community, even if it is a little bumpy or things don't go as planned. We can lean in, learn, and grow together as our new community. We got this!

Warmly,

Audrie~

The Corona-Norco Family YMCA is committed to the safety of the children in our community and the Five Days of Action are just one way we celebrate that commitment! When we know how abuse can happen, see the warning signs, and respond quickly to prevent it, we foster a culture of child abuse prevention.

We are so proud of our families!

These three habits:
– **KNOW. SEE. RESPOND.** –
can change a child's life.

Employee Spotlight - Martha Voeltz

Hi, my name is Martha Voeltz. I am the Site Supervisor at the Jurupa Valley Site. I have been with the YMCA organization for 26 ½ years. I am married and have 1 daughter. My hobbies include anything Disney and shopping. My favorite place to eat is Miguel's Jr. I love working with children at the center. My greatest joy is to watch children grow from the time they come to the Y as infants all the way through adolescence.

I am extremely thankful for my great staff and their resilience.

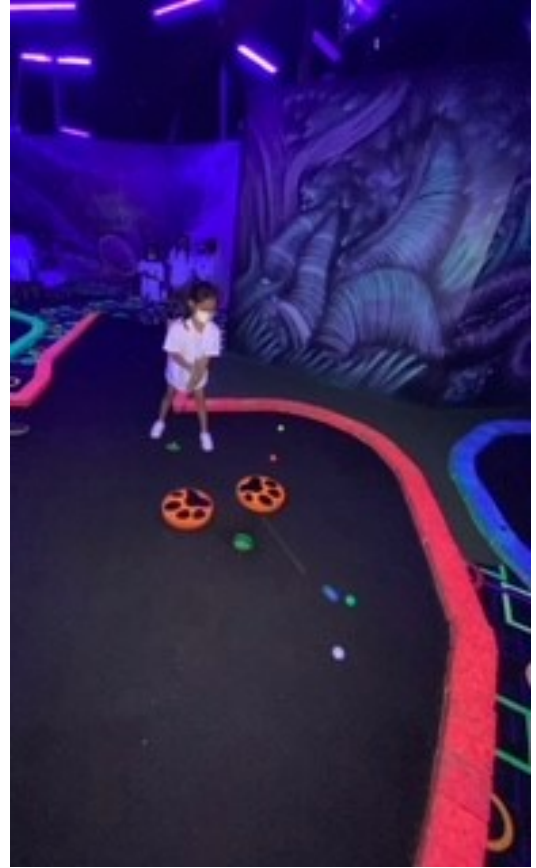

Summer Day Camp

We are so proud of Isabella, our Y Summer Day Camp 2021 t-shirt designer!

Summer Day Camp has been great fun with many adventures so far. The children enjoy out door games like baseball, and recently went on a field trip to play mini golf.

It's not too late to register for Camp! Call 951-736-1415 today.

Y Music Program

Our Y Music students have been making great progress in learning their chosen instruments. Next session begins Monday, July 5th, so there's still time to register for private and group lessons!

YOUTH SUMMER
SOCCER LEAGUE**
CORONA-NORCO FAMILY YMCA

Basketball

We kicked off our summer at the Y in our Youth Basketball League, ages 5-13. The Corona-Norco Family YMCA offers youth sports programs that emphasize the fundamentals, skills and age appropriate competition in an atmosphere that teaches character, fair-play, teamwork and good sportsmanship. Teams are coached by parent volunteers.

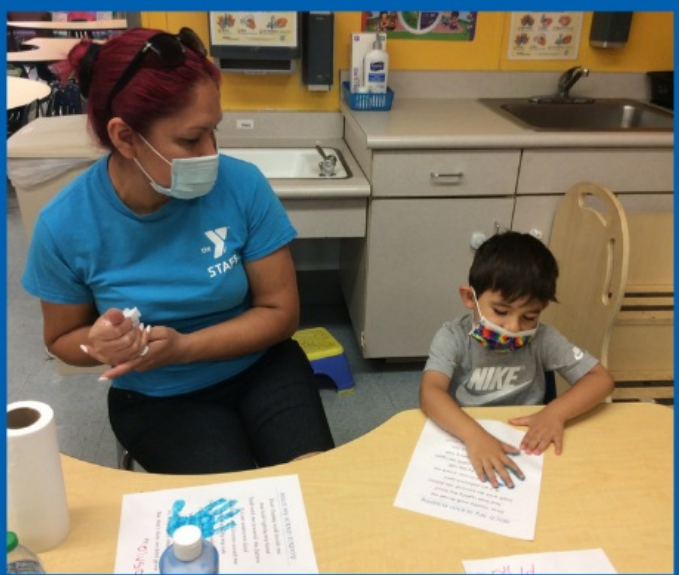

Our Champions (8-10
yrs old) are
warming up!

City Park Site Update

We had a blast celebrating Father's Day! Many of our fathers (and those who fill in as dads) were able to come share their time, some coffee and doughnuts with us. The children were very excited to show off their YMCA and all of their Dad's Day creations!

Harvest Time!

We were able to harvest many vegetables from our garden this month. It was fun to watch the

kids enjoy the "fruits" of their labor. Many had never before tasted some of the varieties of squash they harvested. New gardening experiences provided opportunities to learn about the life cycle of a seed, healthy ways to enjoy vegetables, teamwork, and more.

River Road Infant Center Update

The Month of June has been full of new lessons at the Infant Center! The walkers have been creating lots of art projects, including decorating cards and stamped handprints on construction paper, creating different kinds of sea animals. Numbers and shapes have been a focus in their lesson plans this month. They have also been learning about their 5 senses using the sensory tables outside.

The non-walkers have been working on their self-help skills, such as feeding themselves. They have also made cards with their foot prints. They've learned yellow and green and are working on triangles and squares.

And we can't forget to welcome our new babies, Matthew and Ilya to the infant class.

Farewell to our friends, Noah and Elias who are moving to the 2's class at the Main Y. WAY TO GO!! We are proud of you!

Graduation

We are celebrating our 96 Pre-K graduates! It is so exciting to see the growth of these fantastic students and know that they are Kindergarten-READY! Look out, because these kids are going to do great things!
