### **AQUATICS SPOTLIGHT**

We launched our swim lesson program in May of 2022 in partnership with the City of Corona. To date we celebrate the following highlights: 1201 total swimmers, 735 of which were funded by First 5 of Riverside County. We also certified 10 new Lifeguards and 13 new Swim Instructors

Our YMCA swim lessons prepare children of all ages to become water safe through developing their skills and confidence. Each lesson focuses on specific skills. Lessons are progressive, building on previously learned skills. Swimmers are able to perform each skill comfortably and consistently before progressing to the next Stage of lessons. The YMCA offers year-round lessons for ages 6-month old to adult, and beginners to competitive swimmers.

## SWIM PARENT TESTIMONIAL

 **FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY**

SWIM PROGRAM***

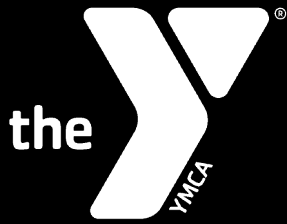

*Thank you for the grant to allow my child  
to have these swim lessons. She is having  
a great time and becoming more confident  
in her swimming abilities.  
This is literally a lifesaver.*

Signed: *Christie Bolton*

## CORONA-NORCO FAMILY YMCA

### CHILD DEVELOPMENT SPOTLIGHT

The Corona-Norco Family YMCA has 8 licensed child care sites located in the cities of Corona, Norco, Jurupa Valley, Eastvale, and Home Gardens serving approximately 500 children per day. The Y also provides two healthy meals daily as well as snacks to all participants. Our Y provides high quality, inclusive child and youth development programs by providing comprehensive activities for infants, toddlers, preschool, and school age in their home language. Woven into the fabric of the Y mission is a commitment to strengthening families. YMCA childcare programs relieve the burden of balancing work and family and make it possible for parents of children in our care to remain gainfully employed, knowing that their children are thriving in a safe, developmentally sound environment. Our curriculum is focused on every area of children's development including social, emotional, physical, as well as academic development.
