MEHKAI LESTER and **GAVIN TURCOTTE**

know what it means to give back. The close friends and avid soccer players were surprised to learn that some children wouldn't be able to play sports, take part in the Y Afterschool program or participate in Summer Day Camp at the Y without financial assistance made possible by the YMCA of Greenville Annual Campaign. They saw a need and decided to do something to make a difference. The boys and their families started holding bake sales, raising money so other children can participate in the sports and programs they love at the Y. So far, their home-baked cookies, brownies, and muffins have raised more than \$1,450 for the Annual Campaign! Scan the QR code below to see more of their story and to be inspired by these pint-sized philanthropists!
