“257 CHILDREN COMPETE IN THE INAUGURAL YMCA STRONG KIDS TRIATHLON

SIMPSONVILLE, SC - While many people take Labor Day as a day to relax, these kids embraced the stress and sweat. From all over South Carolina and even some out of state, families shuttled to the Y early Monday morning to get their young athletes ready to run, bike, and swim in the first ever YMCA Strong Kids Triathlon, sponsored by the YMCA of Greenville Foundation.

“RECESS CELEBRATES 10TH ANNIVERSARY

For adults with diverse abilities, post-high school life may be a huge unknown for themselves and their caregivers with opportunities limited or hard to find. The YMCA of Greenville's signature program for Recreation, Education, Community, Exercise, and Social Service illuminates the options for these families. RECESS has grown from a small network to serve 73 ongoing participants - providing them weekly programming for continued growth, connection, and fun.

“EASTSIDE Y GROWS TO NEW HEIGHTS

TAYLORS, SC - The booming population around the Eastside Family YMCA brings with it positive challenges that capital donors have eagerly met. The addition of a state-of-the-art futsal court, soccer pitch, and airnasium will better serve all ages. The new open-air gym will be used for youth volleyball, basketball, afterschool and summer day camps along with the fastest growing sport for older adults - pickleball.

For a better us.
