OUR MISSION

The YMCA of Greenville, following the example of Christ, builds healthy spirit, mind and body for all.

YMCA OF GREENVILLE 2026 Annual Giving

EVERY ACTION MATTERS

EVERY **PLAYER** MATTERS.

You make it possible for the YMCA of Greenville to create opportunities and access for all. With your support, we can make sure everyone has the opportunity to learn, grow, and thrive. Together, the Y can have a meaningful and lasting impact on our community, one person and family at a time. By working together, we give our neighbors the opportunity to grow strong in spirit, mind, and body.

Thanks to our generous donors last year, the YMCA of Greenville made an incredible impact:

Provided over **\$2 MILLION** in financial assistance to **3,164** Y program participants

Supported ongoing educational learning for **1,263** students through YMCA Afterschool programs

Encouraged sportsmanship with more than **12,651** children and teens in YMCA Youth Sports

Created memories for **2,566** youth at YMCA Camp Greenville and **8,607** youth in YMCA Summer Day Camp

Awarded **1,593** adults and families with membership scholarships to the Y

Inspired **1,969** future leaders through YMCA Youth In Government and YMCA Teen Achievers

More than **4,020** children and adults learned water safety skills and took swim lessons

EVERY **CHILD** MATTERS.

At the Y, we empower children to learn, grow, and play while discovering their potential in programs like...

- YMCA Afterschool & Summer Day Camp
- Preschool at YMCA Judson Community Center
- YMCA South Carolina Youth In Government
- The Leadership Development Program at YMCA Camp Greenville

EVERY **LIFE** MATTERS.

Because of these Y programs, thousands of individuals and families receive the support needed to achieve better health and well-being:

- YMCA Youth Sports
- YMCA Swim Lessons and Water Safety
- **LIVESTRONG** at the YMCA
- Exercise is Medicine Greenville®

EVERY **GIFT** MATTERS.

Thanks to the generosity of volunteers and donors, our community is made stronger through signature Y programs like...

- The YMCA Food Program
- The Active Older Adult Program
- RECESS for adults with diverse abilities

EVERY **SURVIVOR** MATTERS.

"I am the best Carol that ever was."

That is how Carol Polin describes herself after participating in **LIVESTRONG** at the YMCA. A former runner, Carol calls the program and Y staff an answer to prayer. "I completed the class in better shape, with more confidence, and with new friends. **LIVESTRONG** at the YMCA helped me take control away from cancer and restore my life."

Every participant in **LIVESTRONG** at the YMCA participates at no cost to them. Your dollars provide them with much-needed support, hope, and the opportunity to improve their fitness and quality of life.

EVERY **PARTICIPANT** MATTERS.

"...But when I'm here, I'm not isolated."

RECESS has changed Sean Tuck's life. "I want to learn more," he said. "I want to be more."

As the Y's signature program for adults with diverse abilities, **RECESS** provides so much from recreation to education, community service to social connections with most **RECESS** participants receiving financial assistance.

"When it comes to **RECESS**, this is where I feel I can connect with other people with disabilities and be more involved," Sean said. "I can learn from them, and they can learn from me."
