# WELCOME TO THE Y!

## Financial Assistance Application

### The Essence of the Y

With a commitment to youth development, healthy living, and social responsibility, the Greater Missoula Family YMCA ensures that every individual has access to the essentials needed to learn, grow, and thrive. Through our financial assistance program, we welcome all who wish to participate. We believe that no one should be turned away due to an inability to pay.

### Committed to Our Community

Determining assistance amounts is a fair and consistent process. Every Y member receives the same membership benefits, regardless of whether or not they receive assistance. Y members can feel confident knowing that they are part of an organization that cares greatly for the well-being of all people.

### Applying for Assistance

Our Y Financial Assistance reduces membership and program fees on a sliding scale; it does not eliminate them. All members and participants pay something. You will need to reapply once your assistance expires. **Membership Assistance** is good for up to 12 months and **Program Assistance** is good for up to 6 months. It is each member or participant's responsibility to reapply prior to expiration.

**If you do not reapply, membership rates and program fees will revert to regular pricing.**

**Membership will remain active unless written cancellation is received before the 1<sup>st</sup> of the month.**

Get started today! Contact the Welcome Center. Account correspondence and billing information will be sent through email. An email address is required for Y membership.
