Missoula Family YMCA

SERVING MISSOULA SINCE 1967

Dear Y Friend –

Welcome to the Missoula Family YMCA! Since 1967, our members have been committed to not only physical health, but the health and well-being of our entire community.

Your Y membership means so much more than access to a health club. Your monthly membership dues help us provide your favorite equipment, support our staff, and offer member-based services like group fitness classes. By helping ensure our monthly financial responsibilities are met, you allow us to continue to provide our neighbors with lifesaving, cause-driven programs.

We invite you to use this Welcome Guide as a way to get more involved with our YMCA community. From group fitness classes, swim lessons, and child care to financial assistance, special events, and career opportunities, our Y offers a way for everyone to get involved!

Thank you for choosing to be a valuable part of a community-driven organization that is committed to youth development, healthy living, and social responsibility.

Sincerely,
