

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

March 18, 2020

To our YMCA members,

The YMCA of South Palm Beach County recognizes that the COVID-19 (coronavirus) pandemic is putting unprecedented stress on our families. In an effort to provide some relief, **we will be cancelling all scheduled April 1st draft payments for our Preschool and After School participants.**

Our YMCA understands that the programs we provide are important for not only our members and participants, but for the betterment of our entire community. We will continue to monitor the decisions of our local school systems and will react accordingly with program offerings if given the opportunity in a safe and healthy manner.

We are hopeful that you will join the efforts to support the YMCA and our dedicated staff by keeping your membership active so that we may keep our community together and vibrant during these significant challenges.

Now more than ever, our YMCA needs you.

For all of our communications and updates, please continue to follow this page on our website: <https://www.ymcaspbc.org/COVID19>.

Sincerely,

Jason Hagensick
President and CEO
