#### THE Y. TOGETHER WE ARE STRONGER

At the Y, strengthening community is our cause, and we use our **Annual Giving Campaign** to help build the philanthropic culture of our charitable organization.

For almost 50 years, we've been committed to helping kids develop values and confidence; engaging individuals in activities that improve their health; and uniting our community in support of one another.

The YMCA Annual Giving Campaign provides critical program support while ensuring that no one is turned away from a program, service or membership because of an inability to pay.

Funds raised during the Campaign allow us to uphold that commitment to the many communities we serve - whether for working families struggling to keep their kids safe or seniors seeking a sense of belonging and community. Annually, more than 13,000 individuals benefit from access to programs and services they might not otherwise be able to afford.
