WHERE IN THE Y...?

My first engagement with the Y was in rural SE Michigan when I was age seven, learning how to swim through a Y outreach program held in a neighbor's pool. As time went by, I became a very active member at both Monroe, MI and Livonia, MI YMCAs, participating in racquetball and basketball leagues.

In 1995, I became a board member at the Y in Boca alongside Peter Blum, Countess de Hoernle, Randy Justice, Bill & Judy Schipani, Susan Harris and others. Eventually I was selected Board Chair and helped facilitate financing, fundraising and actual building of the current Boynton Y branch.

After transitioning to the Y's Board of Trustees, I was a leading advocate in establishing our Y's Foundation for planned giving, which I later chaired from 2004-2021. **My wife, Patty and I have always (and continue to) emphasize the importance of securing funding and sponsorships for YMCA programs, and we're honored to receive the Peter Blum Legacy Award in 2022.**

Over the past 25+ years, I've been very involved in supporting the Y on many fronts, but at the end of the day, the Y has given so much more back to me by way of personal satisfaction, friends, business contacts and being an overall life changing engagement.
