

THIS IS Y.

PROMOTING SCHOOL READINESS AND SUCCESS

Research shows that children who graduate from preschool have improved academic readiness. In 2021, 85% of our Y's Preschool students tested as ready for entry into kindergarten compared to the state average of just 46%.

By supporting YMCA Early Learning programs, youth have the opportunity to gain school readiness skills to prepare for school and develop to their full potential.

FIND YOUR REASON. FIND YOUR Y.

Preschool programs help increase the rate of **kindergarten readiness** and provides foundational skills for **success in school and life.**
