YMCA Triangle Society

The triangle is the enduring symbol of the YMCA representing the unity of spirit, mind, and body. The Triangle Society recognizes individuals, businesses and community organizations who are committed to and support the Y's mission to meet the growing needs in our community.

Their support makes it possible for families and individuals, regardless of their ability to pay, to participate in Y programs for **youth development, healthy living and social responsibility.**

The Triangle Society acknowledges donors who have contributed annually to the YMCA \$1,200 or more during the Annual Giving Campaign.
