# THE EXPERIENCE

## THE Y

The YMCA of South Palm Beach County's mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. The YMCA welcomes and respects all races, nationalities, abilities and religious beliefs in our programs.

## THE TEACHING

Our curriculum philosophy is based on the Creative Curriculum, which respects the ideas, interests and development of each child. Class projects and emergent themes are developed through collaboration of the children in a rich environment, which encourages exploration, curiosity and creativity.

## THE LEARNING

Literacy, language development, mathematics, science, gross and fine motor skills and **swim instruction\*** are integrated into the curriculum. Our program encourages exploration, creativity and self-expression through developmentally appropriate activities. The Y offers child-guided learning experiences that support healthy spiritual, intellectual and physical development.

## THE STAFF

YMCA staff members portray positive role models while providing care, which is supportive, nurturing, warm and responsive to each child's needs. YMCA character values of caring, honesty, respect and responsibility are incorporated into our daily curriculum.
