THE EXPERIENCE

THE Y

The YMCA of South Palm Beach County's mission is to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

THE BENEFITS

This unique program offers you the ability to have your kids close to you all day long. Take advantage of the many benefits!

Togetherness: The Y offers a community within the workplace

Time: Visit your child throughout the day

Get Involved: Participate in special events with your child

Tenured Staff: A committed and dedicated staff

Cleanliness: Beautiful, bright and impeccably clean classrooms

Enrichment: Kid Fit Program helps kids be active

THE PROGRAM

Our curriculum philosophy is based on the Creative Curriculum, which respects the ideas, interests and development of each child. Class projects and emergent themes are developed through collaboration of the children in a rich environment, which provokes exploration, curiosity and creativity.

Literacy, language development, mathematics, science, gross and fine motor skills are integrated into the curriculum. We encourage exploration, creativity and self-expression through developmentally appropriate activities. Child-guided learning experiences support healthy spiritual, intellectual and physical development.

THE STAFF

YMCA staff members portray positive role models while providing care, which is supportive, nurturing, warm and responsive to each child's needs. YMCA character values of caring, honesty, respect and responsibility are incorporated into our daily curriculum.

STRONG MINDS

Children's Services Council considers improving the quality of early care and education and afterschool programming of vital importance. The Strong Minds Network is Palm Beach County's new Quality Rating and Improvement System as of 2015. Our Y is proud to be a part of this process and is rated a Tier 2 program.
