

# BUILDING THE FUTURE

## DEVOS-BLUM FAMILY YMCA

---

The DeVos-Blum Family YMCA has been serving Boynton Beach and surrounding communities since 2000. From child care to camp, chronic disease prevention to drowning prevention, family time to time with friends, the Y is a source of strength for nearly 20,000 people each year.

While our community is a wonderful place to live and raise a family, many of our neighbors still struggle. Busy families need support as their youth and teens suffer from mental, social and academic challenges compounded by the pandemic. Many adults struggle to find the time and support to lead healthy lifestyles. And growing loneliness and social isolation is putting our seniors at risk.

**To meet this growing need, we must expand our facility to increase youth programming and provide more wellness and chronic disease prevention opportunities for the community.**

# POSSIBILITIES FOR MORE

As our community grows and evolves, so must we. We need additional space and program opportunities to serve our community today and for generations.

More than just a building, the expanded and renovated DeVos-Blum Family YMCA will remain a place where people from across the community can come together and build new possibilities. With your support, we can ensure that kids, adults, and families have the resources they need to thrive. Together, we can build a strong Y for generations.
