

BUILDING POSSIBILITIES

YMCA OF SOUTH PALM BEACH COUNTY

Our YMCA is Proud to Support Local Charities

Many have said, "*It takes a village*" to create meaningful change. At the YMCA of South Palm Beach County, we couldn't agree more. And so do the **many outstanding local charities we partner with** in order to help improve lives.

Our Y's mission is to strengthen the community, and the most vulnerable among us - especially those from minority and lower-income families - rely on the essential services we and our partners provide. To extend our impact, we actively support other nonprofits in a variety of ways. Below are just a few examples of our valued partners:

Boca Helping Hands, Caridad Center, Fuller Center, Guatemalan-Maya Center, Milagros Center and Pearl City

In part, our Y contributes many vital programs and initiatives to these organizations including water safety and swim instruction, at-home literacy programs and events, childcare, volunteering at community gardens, food prep and distribution, sports programs and healthy activities, transportation to the Y, summer camp scholarships, fundraising and grant writing on the recipient charity's behalf.

This support enables us to reach and positively impact hundreds more individuals - primarily children - who might not otherwise have access to these essential services.

The YMCA is a charity. For 50+ years, our Y has been a community anchor that delivers unparalleled civic impact. We serve 40,000 annually, including 5,000 families and 20,000 youth. Two-thirds are either beneficiaries of our Y's charitable community outreach or receive financial aid.
